The following proposed activities and fund allocations have been included in Greece's Preliminary 2021 Community Development Block Grant Program:

Proposed Activities & Allocations:

2. Greece Residential Improvement Plan (GRIP) - \$162,510.92 – This ongoing housing improvement program will provide grants of up to \$6,000 to about 20-30 low-and moderate-income homeowners for rehabilitation of single-family, owner-occupied homes. Grants will pay for only essential rehabilitation projects, including: health and safety repairs, accessibility improvements, structural and major system repairs, and energy conservation upgrades.
3. Elder Care Program - \$69,647.55– This activity, which is administered by the Town's Department of Constituent Services, provides assessment and support services, such as transportation to frail and isolated persons 65 and older. The program is designed to promote independence and extend the time that the elderly spend living in their own homes.
4. Home Safe Home Program - \$11,607.93 – The allocation of block grant funds will enable Lifespan of Greater Rochester, Inc. to provide safety assessments and minor home modifications for approximately 100-120 homes occupied by owners who are 62 and older.
5. General Administration - \$58,039.63– These costs include salary, office, legal notice, and auditing expenses related to the administration of Greece's Community Development Block Grant Program.

A breakdown of Greece's Preliminary Community Development Block Grant Program by type of activity shows that the largest percentage of funds, 37.5%, will be allocated to preserve and upgrade Greece's existing housing stock. 35% percent has been allocated for public facilities and improvements. Public service programs account for 15% percent of the Town's total block grant. The allocation for general administration comprises 12.5% percent of the total block grant.

These allocations reflect and address Greece's community development needs and priorities, as set forth and described by the Town in its [Five-Year Strategic Plan](#).
